><p>Sunshine of Love!

My name's Zane Edward Bennet.

Most people think of me as rich jerk with a big ego who care for nobody other than himself, but that's not true.

I can be nice and good friend if I want to.

My girlfriend is Rikki Chadwick. You've probably seen her. She's the sexy blonde one who hang out with Cleo and Emma all the time.

Rikki is so sexy. Her soft sexy voice and her beautiful bright eyes. She's the love of my life.

She always look so totally perfect to me. I don't have to hide the real me when I'm around her. She understands me.

My sexy Rikki and I have sex almost every day. She's awesome in bed and a little kinky and I like that.

Rikki is my first real girlfriend the way I see it.

All the other girls I've been with before Rikki and I started dating wasn't even half the woman that Rikki is. I love everything about

her.

I'd say that Rikki is perfect.

I think that Rikki is gonna be my wife and the mother of my children in the future.

A life without my sexy beautiful Rikki would be empty.

Dad still thinks that Rikki is the wrong woman for me, but I'm a man and I know that Rikki is the perfect woman for me.

Rikki is special. I don't think there are any other girls like her in the entire world.

Today is a dark day. Rikki is not home. She'll be back on Friday. I can't wait.

I wish you were here now Rikki so we could have wonderful sex for hours.

Rikki is the best woman I've ever met.

I love you Rikki Chadwick!
